How

At the pre-screening stage no NDA will be required. During the proposal writing phase an NDA will be signed between the MedPhab partner(s) involved in writing and the client. Another generic and non-negotiable NDA only for the evaluation purposes will be signed between the MedPhab partners with a representative in the Evaluation Team and the client before the evaluation step. After a successful evaluation of the proposal, an NDA will be signed between the evaluation of the proposal, an NDA will be signed between the evaluation step. After a successful evaluation of the proposal, an NDA will be signed between the evaluation of the proposal of the Joint Implementation Agreement (JIA).
